DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee
RESEARCH AND DEVELOPMENT SUBCOMMITTEE

23 May 1977

25X1A

MEMORANDUM FOR:

[Redacted]
Executive Secretary, Security Committee

1. I expect that the following projects currently being undertaken by the R&D Subcommittee will be completed during FY-77:

a. Threat Assessment Program

We expect to have published the following reports being prepared under the Threat Assessment Program:

- . Foreign Finds List
- . Vulnerability Assessment Technique Study

25X1A

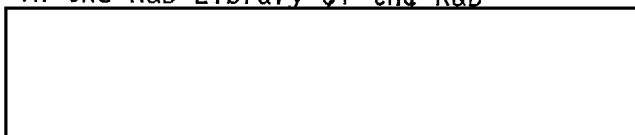

b. R&D Library

An abstract index with project listings by keywords, author, and facility will be completed. This will facilitate access to the millions of dollars of research information contained in the R&D Library of the R&D Subcommittee.
